A. Index of Authors 4

B. Index of Articles 14

C. Index of Authors Reviewed 17

D. Index of Books Reviewed 22

E. Index of Languages 28

F. Index of Persons Mentioned in the Notes 44

G. Index of Organizations Mentioned in the Notes 46

This Index covers only the journal LANGUAGE. Supplements to the journal (Language Monographs and Language Dissertations) and Special Publications of the Linguistic Society are not indexed here.

Reference to volume, pages, and year are given in Section A (Index of Authors). Each item in this section is provided with a boldface number, to which references are made in Sections B, C, D, and E.

In alphabetizing titles of articles and books reviewed, a definite or indefinite article at the beginning of the title is disregarded.

Section E (Index of Languages) lists not only separate languages but also dialects and language families. A number means that the language, dialect, or family is mentioned at least once in the article or review referred to.

Sections F and G list persons and organizations mentioned in the Notes to LANGUAGE. Each item is followed by a reference to volume, page, and year.
